

Dear School TVET Coordinators and Careers Advisers

Thank you so much for your continued support of TAFE Western's TVET Outdoor Recreation Program which has been running for over a decade!

Our teaching team are looking forward to the opportunity to work with more of your students in the upcoming Programs and to extend the outdoor experiences to Returning students next winter.

If this is your first time sending your students to study with us please give me a call or send me an email so we can discuss the process of getting your students onto our programs.

Kind regards

Natalie Purvis
